

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SJR 30**

February 8, 2011

**SUMMARY OF BILL:** Directs further planning by the Department of Environment and Conservation (TDEC) for composting food waste and unrecycled paper by private business. Directs TDEC to work with Tennessee State University, Middle Tennessee State University, and federal agencies for the purpose of securing federal and private funding for solid waste planning. Directs TDEC to work toward the goals of job creation and the elimination of polluted landfills.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- According to the TDEC, the requirements of this resolution are part of the Department's ongoing responsibilities. As a result, the fiscal impact is not significant.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink that reads "James W. White".
